

GLORIA

Will the real Mr. Right, please make himself known.

MICHELLE

For some reason, I've always been attracted to the bad boys. Is it stupid to think I can convert them, just a little bit?

(Group grunt and eye-roll)

MADELYN

Yes!

GLORIA

You can't change a man

ROBIN

....unless he's in diapers.

MADELYN

I like younger men. They never mature anyway.

GLORIA

All I know is...the best way to get my husband to do something is to suggest he's too old for it.

ROBIN

Does that work for getting the gutters cleaned?

GLORIA

(She nods her head as if maybe.) It sure worked when I wanted him to take ballroom dancing with me.

ROBIN

(She laughs.) If given the choice, I think my husband would rather clean the gutters.

MICHELLE

The guys I meet just want to hook-up, and I want a committed guy.

MADELYN

So go to a mental hospital.

GLORIA

Ah yes, love may be blind, but marriage...now that's a real eye-opener.

MADELYN

So pick him very carefully.

ROBIN

What if we could examine the goods?

MADELYN

How about a dating lineup? You need to be sure you've got the right suspect. Okay.
Step forward. Turn to the right....Next.

Song # 4 HAND PICK YOUR MAN

MADELYN

*You're not Sleeping Beauty waiting for a kiss
Or a poor Rapunzel scared of what you'll miss
Who wants to be Snow White serving Seven Dwarfs?
Or a helpless beauty who wants her Beast to morph*

GLORIA, MADELYN & ROBIN

*You are just a woman lookin' for a man
To share a life together create a simple plan
Think it over carefully take all the time you can*

MADELYN

*There's a lot of frogs in the dating pool
So.. Hand Pick Your Man*

ALL

*Hand Pick Your Man
Hand Pick Your Man*
